

Vehicle to iPad USB-C Direct Connect Installation Guide

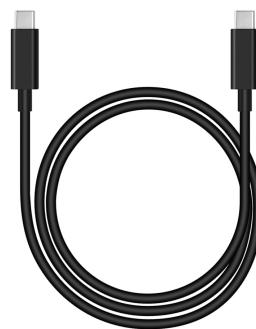

Manual Version 1.0 | Revised 09/11/24

Included Parts

Ethernet cable not included.

**USB-C Ethernet
Adapter**

**USB-C to USB-C
Cable**

Instructions

Follow the steps below and refer to the diagram on page 2:

- 1** Connect the USB-C cable from the left USB-C port on the ethernet adapter to a USB-C charging port.
- 2** Connect the USB-C cable from the right USB-C port on the ethernet adapter to the iPad.
- 3** Connect an ethernet cable from the ethernet adapter to the CloudBox or to a router/switch. (For CloudBox 2, connect the ethernet cable to Ethernet Port 2)
